Fort St. George, January 5, 1936.

Fig. 32

The following notice of an advertisement published in the issue of the *Justice*, dated 12th December 1933, is reprinted:—

Notice is hereby given that Messrs. G. K. Rowan & Co., Ltd., Electrical Engineers, are applying to the Government of Madras for the grant of a license to generate electric energy in and around the town of Bangalore, and the said license is published for public notice. Any local authority, company or person desiring to object, may represent to the Government by letter, or by personal interview with reference to their application, why they do so. Any letter addressed to the Secretary, Public Works and Labour Department, Fort St. George, Madras, within three months of the date of issue of this notice shall be received.

A copy of the demanded map referred to in the said draft licence may be inspected free and copies of the draft licence obtained on payment of requisite fee only at the following places:—

(2) The Office of the Chairman, Municipal Council, Chudayev.

(2) G. R. Rinaswami & Co., Ltd., No. 509,
Esplanade, Madras.

THE CRYSTAL MOUNTAIN LODGE, WVA

DRAFT LETTER FOR THE SUPPLY OF DIRECTOR KNIFE
ORDERED BY THE GOVERNMENT OF MARIANA UNDER
THE LATEST FARMER'S ACT 1950.

License is hereby granted to Messrs. G. S. Rumsen & Co., Ltd., to supply electrical energy to the area with the power and upon the terms and conditions all specified below.

1. **Start title**—This lesson may be used as 'The Changeling Electric Locomotive.' 103.

2. Interpretation—This license is to be read and construed to adjust in all respects to the provisions of the Indian Electricity Act, 1910, with the statutory modifications thereof and the rules thereunder, and the several words, terms and expressions, in which the meanings are assigned by that Act or any other statutory modifications thereof or by the rules thereunder, or the General Clauses Act, 1897, shall have in this license and elsewhere therein the same respective meanings provided that in this

110 The expression 'The Art' shall mean The Indian Electricity Act, 1948, with the statutory modifications thereof.

(2) The expositors, "The Expositors" shall mean and include Messrs. G. E. Armstrong & Co., Ltd., and their associated agents.

[2] The expressions 'First Autocare,' 'Second Autocare,' 'Third Autocare,' and 'Fourth Autocare' shall mean the first, second, third and fourth

On the opposite "Densated Map" shall be shown the area of supply, or the district or districts, which electric lines have previously been deposited with the Government of Madras in pursuance of the rules under the Act, and which have been assigned for the purpose of identification by the Secretary to the Government of Madras to the Public Works and Labour Departments and by the applicants under the name and style of Messrs. G. S. Ramaswami & Co., Ltd.

(2) The expression "Dust" shall mean the sample of sawy dust contained in a closed, non-leakage, rigid container having water-tight electrical connections of one volt during one hour.

At The expression 'Load Factor' shall mean the ratio or percentage of the average quantity per hour to the maximum quantity per hour of energy supplied in any month.

5. Commencement of School.—The date of the celebration by the Government of Mexico in the year 18, George S. Yerffe that the house has been rented is in the house referred to as the "Commencement of Mexico."

4. **Security**—(a) The period within which auditors have 1 yr of the schedule to the Act the lawyers tell them that they have available capital of

The 20,000 seal are in a positive fully and efficiently to discharge the duties and obligations imposed upon them by the law throughout the area of supply shall unless otherwise ordered by the Government of Mexico under that clause be all animals from the commencement of the license.

(4) The person within whose under clause 1 (4) of the schedule to the Act, the licensee shall deposit security and the sum so deposited shall remain withdrawn under by the Government of Madras to be at its disposal and repay five thousand rupees.

5. Area of supply.—The area within which the supply of electric energy is authorized by the license is the whole of the area contained within a circle of 5 miles radius from the junction of Flotta moor; and hospital need no notice and more particularly delineated in red on the described map.

4. **Purpose of supply.**—Subject to the provisions of this license and the Act and the rules thereunder the licensee shall be entitled during the continuance of the license to supply energy within the area of license for all purposes.

Provided that the licensee shall not without adequate notice being served on them be under any obligation under section 22 of the Act to supply more than they are entitled with their obligation to maintain a constant supply to consumers, due regard being had to the licensee's load factor.

Therefore it is an supply of energy shall be considered to be given by the licensee to generate or distribute of private person until the Government of Madras has approved the form of compensation to be paid to the licensee for the supply of energy and also the form of written contract or agreement with the licensee to take a supply of energy, which is to be entered as entered in the form of contract and until the Government of Madras has approved the form of contract all other rules actually charged to customers for energy supplied for various purposes, and also all miscellaneous charges incidental to it or in connection with it shall be subject to the approval of the Government to work against the licensee and also until the licensee works have been inspected by the Electrical Inspector to Government and passed by the Electrical Inspector.

2. *System of supply*.—The system to be applied for the supply and transmission of electric energy under this license are the following:—

(1) (a) A medium pressure alternating current phase 4 wire supply as a primary at the customer's terminals at 330 volts (approximately) between phase and 200 volts between phase and neutral (which shall be verified at one point only on each separate distributing system and at a frequency of 50 complete periods per second.

(4) A high pressure alternator current supply at a pressure of 2,000 volts between plates at a frequency of 50 complete periods per second.

(c) The medical points of the high pressure system may, with approval of the Government of India and the concurrence of the Telegraph authority and the railway, be connected in earth.

Provided always that it shall be lawful for the Government from time to time to make, make, amend, alter, vary, suspend, revoke, or annul any order or orders made or made under the provisions of the Statute in relation to the expenses incurred and to the allocation of the pecuniary proceeds of the said system, notwithstanding any conflict with the above system of supply of materials adequate to such limitations and conditions as shall be prescribed in writing by the Government after notice of supply to be accepted for the purpose of the Statute.

(2) The transmission lines, feeders, distributing mains and service lines may be overhead or underground or whole or in part and shall be erected, maintained and abandoned by the licensee in strict conformity with the Act and the rules thereunder and the following provisions—

(d) The licensee shall not use overlaid marks in any higher positions than original positions without the written approval of the Electric Importer or such use will subject to any conditions or limitations which the Electric Importer may prescribe.

(b) No conclusion as to an earlier loss existed in, nor, along or across any of the streets mentioned in items (1) of the third numbered herein or in any other streets which were at any time between he stated in writing by the Government of Mexico shall be at a loss before from the second class 22.

generating station within the area of supply, but energy so bought from a hydro-electric or other source than, in that case the one or more generating and distributing stations to be used in connection with the undertaking is also required to be taken, if any, at a quantity or a value provided by the licensee on application shall form part of the undertaking for the purposes of purchase under section 5 or section 7 of the Act.

(f) During the period of notice prescribed in section 7 (1) of the Act, all extensions and alterations of money debentures in the capital account of the licensee shall be subject to the previous approval of the Government.

(4) *Provisions as to the schedule to the Act.*—In pursuance of section 2, sub-section (5), clause (f) of the Act, it is hereby expressly declared that clauses IV and IX of the Schedule to the Act shall be completed from incorporation in this license.

15. *Assignment of license.*—At any time after the commencement of license, the licensee may assign the license or transfer the whole or any part thereof in respect of which the license is granted (including all lands, buildings, works, materials, and plant of the licensee) to a company formed in or to be formed and registered in Madras India, having authority to take over the license and the undertaking in the first instance, and to continue the license and perform the obligations thereon in or respect of which the license under this license and the Act and rules made under the Act and in such assignment or transfer the rights, powers, and authorities and obligations and liabilities of the licensee, shall be assigned and transferred to and shall be continued by and shall attach to such company formed or to be formed or otherwise.

(1) That a complete statement of the terms of the proposed assignment is placed before the Government of Madras and shall be stamped in accordance of provision of the Act of an undertaking in return for the assignment of the license.

(2) That an assignment shall be made without the previous consent in writing of the Government of Madras.

16. *Assignment of the license.*—If the licensee fail to comply with the provisions of any of the clauses herein, the license may be revoked.

FOURTH SCHEDULE.

CONCRETE WORKS.

List of streets in the city of Madras in which the licensee are to lay down cables for the purpose of supply of electrical energy:—

- (1) Government road up to the first pillar.
- (2) Madras road up to bridge on the north.
- (3) Hill road.

to present works to the Madras Board are informed
that the Registrar of Books, Madras, will receive to
forward presentation copies to the Registrar of the
Madras Board. These as parcels of books intended for
despatch should be addressed to the Registrar of the
Madras Board, care of the Registrar of Books, Madras,
accompanied by a letter stating the contents and request-
ing the Registrar to forward the same to parents.

ERRATUM.

Fort St. George, January 5, 1915.

In Notification No. 15, dated the 14th December
1914, published at page 45 of Part I-B of the Fort
St. George Gazette, dated the 10th December 1914—
For "Madras Educational Council, Coimbatore" read "Madras
Educational Council, Coimbatore."

D. N. REDDY,
Deputy Secretary to Government.

MISCELLANEOUS NOTIFICATIONS.

LEAVE.

M. R. P. K. Sankaranarayanan Aiyangar, Lecturer,
Government Victoria College, Rajahmundry, is granted leave
on average pay without medical certificate from 17th
September 1914 to 1st October 1914 with permission to
return on his leave Sunday, the 10th September 1914.

R. CHANDRAN.

Acting Director of Public Instruction,
Madras, 10th January 1915.

UNIVERSITY OF MADRAS.

NOTIFICATION.

LISTING OF A MEMBER TO VAC VACANT IN THE
Madras Council, from among its members.

Whereas M. R. P. K. Sankaranarayanan Aiyangar, Lecturer,
Government Victoria College, Rajahmundry, is granted leave
on average pay without medical certificate from 17th
September 1914 to 1st October 1914 with permission to
return on his leave Sunday, the 10th September 1914,
by the Government of the Madras Board, Coimbatore, that as the same will
be held on 21st the vacancy.

The member to be elected shall be a person other than
a member of an affiliated College.

The programme for the election will be as follows:—

Date of publication of the notice: 10th January, 1915.

Date of election: 21st January, 1915.

Date of election: 21st January, 1915.

Date of election: 21st January, 1915.

Date of election: 21st January, 1915.

Students who held Elementary School Leaving Certificate issued by a competent officer of having passed the VIII (Fourth) or a secondary certificate issued by the Commissioner of a recognized secondary school of having passed Form III will be eligible for admission. A certificate in respect of the school certificate examination may be substituted in the case of students who have not passed the examination in the first year of study. They must attend the examination at their own expense and those who pass the examination must be provided with a certificate of admission. Every student admitted will be on probation for the first working days and his retention after this period will depend on the progress made by him. The regulations should be within the eyes kept prominent in the Educational Rules.

A hostel is attached to the school. Students who are not permanent residents of Ellice should be prepared to reside in the hostel. Copies of these general educational regulations and regulations will be sent to all students who are admitted to the application.

J. CONNOR,
Commissioner.

Govt. Secondary and Training School for Women,
Ellice, 7th January 1935.

Medford, 9th January 1958.

W. F. GALLAGHER,
Instructor at Teachers' School

Candidates that have such a separate machine and that do not want to be examined in batches are expected to appear for their examination with the third batch for the Lower grade. But this does not preclude them from receiving their answer for that batch and awaiting their certificate.

Candidates for the Higher grade may appear for the first or second batch at their option and no batch need reply on time for this grade.

Answering Hall Rules.—Candidates at Reception of Examinations and other persons who wish to be allowed into the examination hall in the intervals between the examinations of the various batches to inspect the machine and remedy any defects, are requested to call at the office on Tuesday, the 27th January 1925, and have their names registered. Tickets of admission specifying their names, the examination to which they belong, etc., will be issued to them and these should be presented at the entrance to the examination hall.

(iv) *Roll at Machine and in the Waiting.*

Attention is particularly drawn to the following rules:—
1. No candidate will be allowed to enter the examination hall unless he wears a clean and decent dress, and in all cases where good manners require it, a suitable covering for the head, nor will he be allowed to keep his clothes on unless they are clean of English perfume, and scents and fragrances are worn also.

No candidate coming from any religious houses will be admitted to the examination hall.

2. Candidates are expected to take their seats in the examination hall at least five minutes before the time fixed for giving out the question papers. No candidate will be allowed to enter the examination hall on any day without the supply of half an hour from the time fixed for the commencement of the examination and candidates arriving after the supply of that half hour will not be admitted.

3. No candidate will be allowed to present the examination hall during the hours of examination, if he was quitting it, nor to leave the hall without firstly giving up his answer papers.

4. Strict silence should be maintained in the examination hall.

5. No candidate will, on any account, be allowed to take into the examination hall sticks, books, or papers of a book, tablet, stone, manuscript or papers of any kind. Any candidate detected in the violation of this rule or detected in speaking to, or in any way communicating with, or writing from each other and in communicating with any other person outside the examination hall or having recourse to any unfair practice will be sent out of the hall forthwith, and be reported to the Commissioner for disciplinary action. The use of mechanical instruments for drawing figures or using lines will, however, be allowed.

6. Candidates are forbidden to note down the answer to any question on the question paper itself; they will not be allowed to take any paper, except their question papers, out of the examination hall.

7. Candidates are forbidden to tear up papers, or to throw any or papers on the floor. All scraps of notes, etc., should be left on the desk where the candidate has been sitting.

8. No candidate will be allowed to exceed the time assigned to each paper.

9. All men or candidates have forbidden writing their names and wish to give up their answer papers, at the end of the period permitted for each particular part of the examination, such should the time has out, and remain standing until one of the Superintendents has come up to him and has removed his answer paper from him. Any candidate wishing to ask any question of the Superintendent will, previous the same answer has been so removed leave his seat.

10. Candidates whose names are not in the printed list furnished to the Chief Superintendent must submit a written declaration through the Chief Superintendent

giving full particulars in regard to themselves including their names, and furnish such evidence as may be possible of their having applied for admission to the examination at the proper time and place, the provisions of the answer papers of each candidate will not be reduced unless it can be shown that the number of their names is due to an error of theirs.

11. Candidates are requested to note carefully the particulars printed on the coupon list and satisfy themselves whether they tally with those as given by them in their application for admission to the examination, so that any alteration with regard to their names, names or that of nationality or any other correction that may appear necessary might be pointed out by them in writing to the Chief Superintendent.

12. Candidates desiring to change their place of examination without previous permission, or appearing at any more other than the one at which they ought to have appeared according to the notice published in the Gazette, must not expect to have their papers valued as those actually published. In all cases where permission has been granted, the superintendent or some person the change should be produced for the satisfaction of the Superintendent.

13. The answer papers should be marked as passed together at the upper left hand corner, and the tickets filled in the boxes, beginning from the bottom left hand corner, the place of examination and also the name and number of the sheet of the Typewriter used must be marked in the boxes, 13 or 14—marked No. 2 or 3—written No. 4 should be written on the back of the question paper on the top right-hand side of the last page of the answer paper, or will be on the top of the paper after it is folded.

14. Candidates are strictly forbidden to enter at any time other than the answer papers.

15. Candidates should deliver themselves that when it is found that any one of them has written more than the number of their names—namely any name given on the coupon list, the number of their names and date of birth will be noted.

16. Any candidate who has written properly should the Chief and Assistant Superintendents of the examination or as directed by them, and returns to the examination of any kind in connection with the examination of whom answer papers remain afterwards must, in order to have his examination cancelled and also to be allowed from the examination agent for any of the examination under the control of the Commissioner for each time of giving to the Commissioner any kind, for, if the Commissioner is not satisfied for any reason whatever as to the conduct of the candidate, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any case or more of the details of the examination for which he appeared, his names or names being determined on the result of such re-examination.

17. Candidates are forbidden to communicate with the Examiners, should they do so, their answer paper will not be valued and further their conduct will be reported to the Commissioner for any action that he may deem fit.

18. No information can be furnished in regard to the results of a candidate or in regard to the marks obtained by him or in regard to the particular section or sections in which he may have failed. The names of successful candidates in each subject arranged in two classes, First and Second, will be published, as the day of the day. The names of the successful candidates in each subject as published in the Gazette is complete and final. Applications from or on behalf of unsuccessful candidates seeking for information as to the cause of failure or for a re-examination of the answer papers will not be attended to. No provision of answer papers is permitted.

(By order)

F. H. GRANT NARR,
Assistant Secretary to the

Office of the Commissioner for Examinations,
Madras, 15th January 1925.

SUPPLEMENT TO PART I-B

OF

THE FORT ST. GEORGE GAZETTE

No. 3]

MADRAS, TUESDAY EVENING, JANUARY 15, 1935. [PART I, a, 8 p.

GOVERNMENT EXAMINATIONS.
